Door Prize & Auction Contributions

We appreciate your participation. Numerous contributions are made every year, making our members very happy. Each member at the Jamboree is eligible to receive door prizes, or place bids for Silent and Live Auction items. Silent Auction items are displayed at our nightly symposiums. Live Auction items will be displayed at the banquet.

If you would like to provide items, please specify below. Also indicate whether you want these items auctioned. V.H.A. reserves the final choice of when or how these items are provided to the members. The money generated helps to fund this event and the upkeep/maintenance of the V.H.A. shooting range. Whether you attend, contribute, or both, you will be mentioned and thanked in **The VARMINT HUNTER Magazine®** and on our website.
